

**YOUTH BASEBALL  
2024 SEASON  
INFORMATION  
PACKET**

# THIS YEAR IS GOING TO LOOK A LITTLE DIFFERENT...

Hello everyone! My name is Jennifer, and I'm the City of Woodlake's youth sports coordinator. I've gotten to know many of you these past few months working for the City, and it's now time to explain a bit of my past... I am the former GM of the Visalia Rawhide baseball team. I worked in Minor League Baseball for 13 seasons before retiring to be more involved in my kiddos' lives.

However, during my time with the Rawhide I got to be a part of a very special program that is dear to my heart. Minor League Baseball calls it their 'Copa de la Diversion' program....but I like to refer to it as MiLB team Latin Alter-Egos. Several years ago, I got to set the template for this program in Visalia by re-branding our team to Los Toros de Visalia for a series of games with fun, colorful, Latin American influence to reflect both our local culture, and many of the players on the team. The launch of this program was made in—where else—Woodlake! At that time, Visalia was one of only 4 teams that were specially selected to pilot this program for MiLB. Today, this program involves over 80 teams across the country!

Take a look at all of the fun logos & names here!: [www.milb.com/fans/copa](http://www.milb.com/fans/copa)

This season, Woodlake will be the very first youth baseball/softball league to adopt some of these names/logos and team likenesses! This season you will see a lot more color, and some fun/silly flare to all of our teams! Thank you for being a part of this experiment with us!
