2025 YOUTH BASKETBALL

FULL SEASON INFO PACKET

2025 SEASON INTRO

Welcome to the Woodlake Parks & Recreation Youth Basketball League! We offer this program for kids TK to 8th Grade, and our program continues to grow each year! The City has a basketball gym at their Woodlake Community Center facility, and we also work with the WUSD to have limited access to their gyms at the Middle School and Castle Rock Elementary School to accommodate our continued growth of this program!

This season, our registrations had a large spike in the traditional “7 and Under” age group. Last year, this age group was co-ed & had 6 teams. This year we had enough kids register to create 14 teams! So the changes you will see this season are for this group of younger kids, and this is how it’s now broken down:

- “6U” is still coed, but now consists of kids in TK & Kindergarten
- “7U” divisions were formed for both boys & girls, and both divisions are predominantly only 1st graders

For all of these younger teams, they will play by the same rules and have the same court size & rim height. They will also all use NBA “G League” team names, which is a minor league system for basketball players that has really spread quickly over the last few years & can be found all over the country!
