2025 INFO PACKET

OUR TEAM NAMES ARE A LITTLE DIFFERENT...

Hello everyone! My name is Jennifer, and I'm the City of Woodlake's youth sports coordinator. I am the former GM of the Visalia Rawhide baseball team. I worked in Minor League Baseball for 13 seasons before retiring to be more involved in my kiddos' lives.

However, during my time with the Rawhide I got to be a part of a very special program that is dear to my heart. Minor League Baseball calls it their 'Copa de la Diversion' program....but I like to refer to it as MiLB team Latin Alter-Egos. Several years ago, I got to set the template for this program in Visalia by re-branding our team to Los Toros de Visalia for a series of games with fun, colorful, Latin American influence to reflect both our local culture, and many of the players on the team. The launch of this program was made in—where else—Woodlake! At that time, Visalia was one of only 4 teams that were specially selected to pilot this program for MiLB. Today, this program involves over 80 teams across the country!

Take a look at all of the fun logos & names here!: www.milb.com/fans/copa

SAT, MAY 10: No games this day! The Woodlake Rodeo Parade is this morning at 10am—you'll be given the opportunity to enter a team float in the parade if you would like to participate! If not, plan to attend & bring a bag to collect candy!

SUN, MAY 25: Woodlake Parks & Recreation baseball and softball teams will be recognized at the 2pm Visalia Rawhide game on this date! You'll receive more information about ticket discounts later in the season. Plan to attend if you can!

WHAT'S IN THIS PACKET:

This is the final Season Information Packet for 2025, which includes rosters, opening day information & team picture schedules, game schedules, and all the tools you need for the season! Here are some helpful notes to consider:

OPEN ROSTER SPOTS:

In a few Divisions we are able to take on a limited amount of late registrations. To view these available “Open Roster Spots”, view the pages in this packet which have team information listed—in the Roster section, if there is an available roster spot on a team, that will be clearly marked in red bold. If there is not an indicated “Open Roster Spot” on a particular team, that team is set & is not going to take on additional players or trades.

The uniforms for these “Open Roster Spots” have already been ordered, therefore sizes are limited. To inquire about an open roster spot, **email Jennifer at JReynolds@ci.woodlake.ca.us**—provide the gender of your child, their grade in school, and their ideal uniform size. You can also come by City Hall (350 N. Valencia Blvd.).

CHANGES TO ROSTERS:

There will be no special requests taken at this time. There will be no changing teams at this time. Uniforms have been ordered, the teams each have close-to-equal team sizes.

If you still feel the need for your special request to be heard, it will only be accepted via email to Jennifer at JReynolds@ci.woodlake.ca.us—provide the gender of your child, their grade in school, and state your case. As with all situations, special requests are never guaranteed. There are no refunds.

POTENTIAL ALL-STAR TEAMS:

We have a great partnership with a local group who puts on baseball tournaments here in Woodlake. This organization allowed us to enter two age groups of “All-Star Teams” last season. These players were nominated by their Coaches, and then attended a tryout session. If-possible, we will try to have the same partnership again this year.

SEASON CONDUCT:

- The coaches are all volunteers, please respect them & the time and dedication they give to your team
- No stats are kept & no college scholarships are on the line
- No children are allowed in the dugouts or on the field if they are not a registered player (liability)
- Respect the umpire's calls & be professional (many of them are high school students, also learning)
- Only the coach can address the umpire directly (not parents)
- If a parent continues to be disrespectful, their child will sit the rest of the game
- Zero tolerance with rowdy parents and coaches. If a game is stopped by the umpire due to parents not being respectful, or a coach arguing constantly, the game will be ended immediately
- Respect the other teams, parents, and fans

WHERE ARE GAMES?

Our Parks & Recreation fields, where the majority of this season's games will be played, are located near the large Woodlake water towers on the Northeast side of town. These fields are actually very close to each other, and are an easy 2-block walk. So if you have kids playing at both fields, consider parking in the middle of both field locations.

Parking is always a challenge during game days, so make sure you show up early to ensure you find a parking spot & have time to walk to your field.

PRACTICE NOTES:

Our Parks & Recreation fields are very limited in availability for practices. We recommend that Triple-A teams have priority on the main fields for practices. We also recommend that T-ball & Single-A teams only plan to practice at other City Parks located around town, which have plenty of grass space. The upper & lower soccer fields at Castle Rock will also be available for practices.

Here is a link to a Map of [Woodlake City Parks](#), most of which, have plenty of grass space for practices.

Please remember that we are all in this for the betterment of Woodlake community sports. This is a "farm system" to develop players who will play together in Middle School & High School. Teams & Coaches should work together, share field space, and support each other this season so we will all be better in the end!
