

2020 YOUTH BASKETBALL

INITIAL SEASON INFO

POWERED BY:

2026 SEASON INTRO

Welcome to the Woodlake Parks & Recreation Youth Basketball League! We offer this program for kids TK to 8th Grade, and our program continues to grow each year! The City has a basketball gym at their Woodlake Community Center facility, and we also work with the WUSD to have limited access to their gyms at the Middle School and Castle Rock Elementary School to accommodate our continued growth of this program! (thank you WUSD!)

The past two seasons, our registrations have had a large spike in the traditional “7 and Under” age group (1st grade and lower). From 2024 to 2025 we went from 6 teams in this division, to 14 teams! For the 2026 season, we had just as many boys register, but not as many 1st grade girls (only 9 total), so there were some tweaks made:

- "6U" is now split boys/girls, and still consists of kids in TK & Kindergarten
- "7U" division is now only boys; *most* 1st grade girls will now play in the 9U Girls Division (with 2nd & 3rd graders)

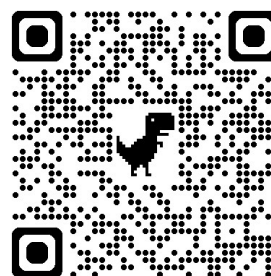

1st Grade girls registrations were down compared to last year, however, all other girls grade registrations went up! This season we ran into the good-problem of having more teams in our league than the WNBA! (so there are a couple of repeat team names)

Speaking of team names and uniforms...historically, we have pulled from G-League team names (the farm system for the NBA) for the youngest teams, NBA names for the older boys, and WNBA names for the older girls. This year will be similar. We have switched our uniform provider to a company who can do sublimated jerseys, which are fully customizable with logos and are going to look very similar to the pro team they are inspired by! However, to avoid trademarking issues, some of the team names/logos have been tweaked slightly. We are really happy with this new uniform partner so far, and we hope that you like them too!

Another new element you'll see this season is a closer partnership with the Woodlake Ballers—this is a grassroots Woodlake youth basketball program put together by a wonderful family who is passionate about ensuring Woodlake has a great basketball program. If your child is interested in taking basketball more seriously, and playing year-round, the Woodlake Ballers is the group to link up with! But in the meantime, the Woodlake Ballers instructors will be working with our Coaches to make sure practice drills are consistent among all of our teams, with the vision of establishing a great “farm system” for our Woodlake Basketball youth players! Thanks for being a part of this exciting new season!

Sports are a great way to teach geography! Here is a map that shows the home City's of the lesser-known NBA G League Teams, with their fun logos and team names! There are a couple of these teams based nearby (ie: Stockton), so if you're interested in watching future NBA players at an affordable price, check out a G League game!

WHAT'S IN THIS PACKET?

Woodlake Parks & Rec will release two “Season Information Packets”. This is the first version, which includes pre-season events, team rosters, basic season info, and uniform information to help you prepare for the season.

OPEN ROSTER SPOTS:

In a few Divisions we are able to take on a limited amount of late registrations. To view these available “Open Roster Spots”, look at the pages in this packet which have team information listed (towards the end of the packet). In the Roster section, if there is an available roster spot on a team, that will be clearly marked in red bold. If there is not an indicated “Open Roster Spot” on a particular team, that team is set & is not going to take on additional players or trades.

The uniforms for these “Open Roster Spots” have already been ordered, therefore sizes are limited. To inquire about an open roster spot, **email Jennifer at JReynolds@ci.woodlake.ca.us**—provide the gender of your child, their grade in school, and their ideal uniform size. You can also come by City Hall (350 N. Valencia Blvd.).

CHANGES TO ROSTERS:

There will be no special requests taken at this time. There will be no changing teams at this time. Uniforms have been ordered, the teams each have close-to-equal team sizes.

If you still feel the need for your special request to be heard, it will only be accepted via email to Jennifer at JReynolds@ci.woodlake.ca.us—provide the gender of your child, their grade in school, and state your case. As with all situations, special requests are never guaranteed. There are no refunds.

OPEN COACHING POSITIONS:

We are still looking for a couple team Coaches. If you, or someone you know, would be interested in Coaching your team, please reach out the Jennifer at JReynolds@ci.woodlake.ca.us or call City Hall. Coaches are all volunteers, and serves as the main point person for the games. Coaches are strongly encouraged to get other parents involved to assist with practice drills, and during games (helping with player substitute transitions, etc.). The season does not run smoothly without the volunteerism & dedication of parents and family members! Thank you in advance for stepping up to help where needed!

HIGH SCHOOL VOLUNTEERS:

If you, or someone you know, would be interested in assisting with a team for school volunteer hours, please reach out the Jennifer at JReynolds@ci.woodlake.ca.us.

On Friday, January 9th, Woodlake Parks & Rec will post the next wave of season information (at www.CityOfWoodlake.com, on social media, and emailed out to participants with email addresses) which will include: **Opening Day details, Picture Day details, and Full Game Schedules.**

ADDITIONAL RULE EXPLANATION

6U & 7U DIVISIONS ZONE EXPLANATION

Because these age groups are new to the game and still learning, we are making an extra effort this season to implement zones for the defensive players in a 2-1-2 format so that the offence is able to learn how to dribble and pass without additional pressure. Here is a diagram of the Defensive Zone areas that will be taught:

14U DIVISION DEFENSE & PRESS

- Coaches can choose man-to-man or zone defense for their team on a game-by-game or situational basis
- However, if the game is a 20 point or more differential, Coaches must play zone
- Coaches can only apply full court man-to-man press when there is less than 1 minute to play, AND, if the score is within 10 points.

NUMBER OF PLAYERS ON THE COURT

If a team cannot field 5 players, teams will play with the lowest number of players (ie: 4 v. 4).

SWITCHING SIDES/HOOPS AT THE HALF

For Divisions 9U and up (all of the divisions who play full court), teams will set up their players opposite side from their bench to start the game. After the half, you will then set up your players on the same side of the court as your bench.

PARENT & COACH CONDUCT RULES + FACILITY & UNIFORM INFO

PARENT & COACH CONDUCT RULES

- No stats are kept, and there are no championships—this League is purely for player development
- Respect the referee's calls & be professional
- Only the coach can address the referee directly (not parents)
- During the "half time" break, both coaches will meet with the ref to address any items needed to be dealt with
- If a parent continues to be disrespectful, their child will sit the rest of the game
- Zero tolerance with rowdy parents and coaches. If a game is stopped by the referee due to parents not being respectful, or a coach arguing constantly, the game will be ended immediately
- Respect the other teams, parents, and fans
- If a parent or coach is asked to leave a game, he/she will receive an automatic 1-game suspension

FACILITY

- Please help pick up all trash after games/practices, and clean up any spills
- Please attend children when going to the bathroom & keep the facility clean/tidy
- Be respectful of the facility & the other organizations who operate inside the facility (ie: Boys & Girls Club)
- Community Center: the Kitchen & other rooms are no-go zones
- Middle School Gym: locker rooms are off-limits & restrooms are located outside the building

UNIFORMS

- Each player is provided with a jersey & shorts (see example style/color options below)
- The new uniform company did not offer Youth XSmall as an option (Youth Smalls were ordered in their place)
- You must provide your own shoes—either indoor basketball shoes, or shoes with white soles
- If you requested an incorrect uniform size for your child & you'd like to order a new one, the cost will be \$35
(please keep in mind we are working with a new uniform company and we are unsure of turn-around time)

G-LEAGUE TEAM BRANDS (6U Boys)

LOGO	JERSEY	SHORTS	JERSEY INSPIRATION
			 Like the new jersey look, but would prefer to use the light blue as the primary color of the jersey.
			 Love this snake skin jersey they have!
			 Like the idea of doing a red with black pin stripe jersey, but with the full primary logo on the front of the jersey.
			 Love the idea of doing a similar plaid jersey, but with the primary logo on the front of the jersey.

We provided the new uniform company with the team brands we wanted to incorporate into each of our divisions, what color of jersey and shorts we wanted for each team, as well as "jersey inspiration" images from the professional team we wanted to mimic so that our youth players can see a similar uniform if they watch the pro team on TV!

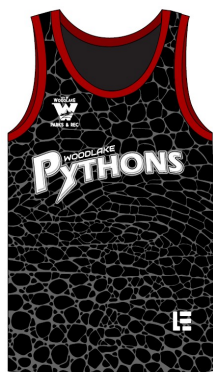

(please keep in mind that to avoid trademarking issues, some of the team names/logos have been tweaked slightly for our League)
