YOUTH SOCCER SEASON

FULL SEASON INFO PACKET

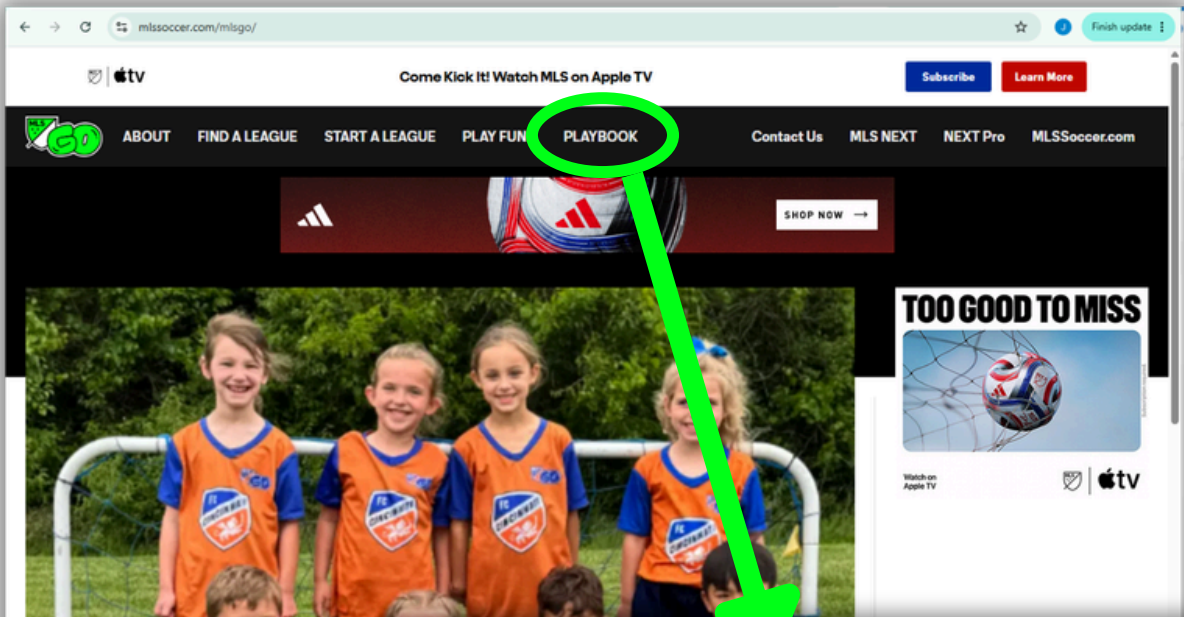

4CREEKS™

2026 SEASON INTRO

Welcome to the Woodlake Parks & Recreation Youth Soccer league! We offer this program for kids TK to 8th Grade, and we continue to have HUGE increases in registrations each year. We are now offering affordable play to **over 700 kids!** Thank you for your patience as our league continues to go through (good) growing pains from adding more teams, and trying to identify more coaches to help in each Division! We appreciate all of the volunteer support we have received from parents, high school students, and other community volunteers who have stepped up to coach teams this season!

Three seasons ago, we incorporated an affiliation with the MLS Go program. What this means for participants is that you all have access to resources that the MLS Go program compiles for parents and coaches - including drills, team gear, and more! Make sure you check out www.mlssoccer.com/mlsgo ! (please keep in mind, our league rules may be a little different than the template rules MLS Go puts out)

The screenshot shows the mlssoccer.com/mlsgo website. The navigation bar includes links for ABOUT, FIND A LEAGUE, START A LEAGUE, PLAY FUN, and **PLAYBOOK** (highlighted with a green circle and a green arrow). Other links include Contact Us, MLS NEXT, NEXT Pro, and MLSSoccer.com. A large photo of four young girls in orange and blue soccer uniforms is featured. To the right, there's a section titled "TOO GOOD TO MISS" with a soccer ball graphic and an Apple TV logo.

Inside Lakota Sports Organization
For many kids, recreational sports is where it all begins. It's where they discover what it means to be part of a team. For families this is...

GO PLAYBOOK

U4-U5: Learning and Discovery	U6-U7: Have Fun	U8-U9: Learning by Playing
 At this age, it is not about asking them to play a sport, but instead about instilling the development of balance and motor skills. GO Play	 This is the first age group where children begin to understand the rules and FUNDamentals of the game. GO Play	 At 7 and 8 years old, children don't play to learn, they learn by playing. The goal for coaches at this age is to fuel their appetite for fun, while creating a structure that allows players to progressively understand the game. GO Play
U10-U11: Supporting Development	U12-U13: In Full Development	U14-U15: Progressive Transition to 11v11 Soccer
 U10-U11 is a big jump from the previous age groups. At 9 and 10 years old, the field is larger, and the playing format is different. GO Play	 At U12-U13, young players begin to attend middle school, and there are many physical, mental, and social changes occurring. Each of these factors must be taken into consideration when coaching a soccer team at this age. GO Play	 At 13 and 14 years old, players are entering the adolescence stage which will see the consolidation of solid technical and tactical skills. GO Play

WHAT'S IN THIS PACKET + MISC.

Woodlake Parks & Rec will release two "Season Information Packets". This is the first version, which includes pre-season events, team rosters, basic season info, and uniform information to help you prepare for the upcoming season.

- **OPEN ROSTER SPOTS:** In a few Divisions we are able to take on a limited number of late registrations. To view these available "Open Roster Spots", view the pages in this packets which have team information listed. In the Roster section, if there is an available roster spot on a team, that will be clearly noted in red bold. If there is not an indicated "Open Roster Spot" on a particular team, that team is set and is not going to take on additional players or trades.
- **CHANGES TO ROSTERS:** **There will be no special requests taken at this time. There will be no changing teams at this time.** Uniforms have been ordered; the teams each have close-to-equal team sizes. If you still feel the need for your special request to be heard, it will only be accepted via email to Jennifer at JReynolds@ci.woodlake.ca.us - provide the gender of your child, their grade in school, and state your case. As with all situations, special requests are never guaranteed. There are no refunds.
- **HIGH SCHOOL VOLUNTEERS:** If you, or someone you know, would be interested in assisting with a team for school volunteer hours, please reach out to Jennifer at JReynolds@ci.woodlake.ca.us

WHAT CAN I DO TO PREP FOR THE SEASON?

Are you and your kids anxious for the season to start? Before you're even contacted by your Coach, get outside & start preparing for the season on your own! Here are some tips of what you can do while you wait for practices to start:

- Look at drills you can do at home by going to www.mlssoccer.com/mlsgo
- Head to a local Park or your backyard and start kicking the ball around with your child
- Get specialty equipment to have at your house and/or to use for your team:
 - Pop-up Goals
 - Dribbling Poles
 - Pinnies
 - Team Benches
 - Noise Makers

SEASON CONDUCT:

- Please try to seat each team on separate sides of the field.
- The coaches are all volunteers; please respect them, and the time and dedication they give to your child/team.
- Our vision is to create a 'farm system' for our Woodlake Middle & High Schools. (as well as other schools involved)
- We expect friendly competition among players now, so they will be great teammates in the future.
- Coaches, if you have a player with developmental disabilities on your team, please let the other Coach know as a courtesy before your game starts.
- Players are expected to be respectful to their coach and teammates. Any reported incidents will be addressed immediately, and the player/parent will be given one warning. If there is another incident, that player will not be able to finish the season and has the chance of being banned from the League indefinitely. Poor behavior will not be tolerated from anyone. This is a Rec League, intended to be fun and non-competitive.
- No stats are kept; no college scholarships are on the line.
- Respect the referee's calls & be professional. (many of them are high school students, also learning)
- Only the coach can address the referee directly. (not parents)
- During the mid-game break, both coaches will meet with the referee to address any items needed to be dealt with.
- If a parent continues to be disrespectful, their child will sit out the rest of the game.
- There is a zero-tolerance policy regarding rowdy parents and coaches. If a game is stopped by the referee due to parents not being respectful, or a coach arguing constantly, the game will be ended immediately.
- If a parent or Coach is ejected from a game, that person will receive a one-game suspension. If there is another incident later in the season involving the same parent or Coach, that individual will be banned for the season.
- Respect the other teams, parents, and fans.

PRACTICES:

Practices are determined by, and communicated by, your team's coach. Feel free to use the grass space between the soccer fields and Castle Rock Elementary school ("lower fields"), as well as other parks throughout the City. These are all open to the public on a first-come-first-serve basis. It's strongly suggested that 14U and 10U teams have priority of use on the "top fields" at Castle Rock Park. We suggest that 4U and 6U teams primarily practice in City Parks when possible. We understand that grass is a hot commodity this time of the year for practices, and we thank you in advance for working together to share space, scrimmage together, and other ways of making efficient use of the space that we have!

OTHER AVAILABLE PRACTICE LOCATION OPTIONS AT CITY PARKS:

Many of our City Parks have open grass areas that will be conducive for youth soccer practices! We strongly recommend that 4U and 6U teams use these parks for their practices to help spread things out. Click [HERE](#) to view a map of each of our parks and where they are located.

We would recommend these parks for practice locations:

- Woodlake City Park
- Hillside Estates Neighborhood Park
- Valencia Heights Park
- Alsumiri Park (for 4U)
- Greenwood Park
- Willow Court Park (in the outfield of baseball/softball fields)

WEATHER & GAME CANCELLATIONS / RESCHEDULES:

We understand the weather is tricky this time of the year, and as soon as there is a determination on cancelling games, that information will be immediately communicated to coaches, as well as posted on the City of Woodlake Facebook and Instagram pages. Game make-ups will be determined in the following few days, and will also be communicated out through coaches. Do not call City Hall.

Yes, you counted correctly...
We have 711 players &
62 teams in our League this year!

FIELD LAYOUT MAP

Our games are all played at Castle Rock Fields which are located to the North side of Castle Rock Elementary School (360 N. Castle Rock St.). Fields do not have bleacher seating, so please bring chairs, blankets, and canopies/umbrellas.

**UPPER FIELD SET-UP FOR
4U & 6U DIVISIONS**

MLS GO UNIFORMS

All of our uniforms are licensed MLS teams' reversible jerseys, shorts, and socks. There will be no numbers or sponsors on the back of the jerseys because they are reversible - however, if your team would like to put numbers and/or names on the backs of your jerseys, you are welcome to do that on your own. Please remember there might be times that you will need to switch your jersey color if the other team shows up in that same/similar color.

UNIFORM RE-ORDERS

There are NO UNIFORM RE-ORDERS. The MLS program does not allow re-orders. However, if you'd like to email Jennifer at JReynolds@ci.woodlake.ca.us she will look to see if there is something we can do. We have a small handful of extra uniforms from past seasons.

NOT PROVIDED:

- Shin Guards
- Cleats (or tennis shoes)
- Specialized equipment (ie: Goalie jersey / gloves)

HOW TO WEAR YOUR UNIFORM FOR A GAME:

Coaches will typically tell you what color side of the jersey to show up for the game in. When your team arrives at the field, please make sure all jerseys are turned to the same color (the exception being the Goalie). Also, please make sure that both teams playing against each other are not wearing the same/similar jersey color (ie: both teams wearing black). In this case, one team needs to turn their jerseys to the reverse color to make it easier for Coaches and Refs during the game.
